Indigent Care Program

Since 1981, The Hearing and Speech Foundation has provided ongoing hearing services to disadvantaged individuals in East Tennessee. Most insurance companies will not pay for hearing and speech services or hearing aids. Through the HSF Indigent Care Program, individuals have the opportunity to receive hearing aids and hearing and speech services they would otherwise go without.

In nearly three decades, HSF has given the gift of hearing to thousands of patients in East Tennessee and beyond.

Now imagine this...YOU can make a difference in the lives of the deaf and hearing impaired.

HSF needs your help...

If you have unused hearing aids, they may be donated to HSF for reconditioning and fitting on a patient in our Indigent Care Program.

Even if an aid is too damaged for repair, it may still be returned to the manufacturer for a credit toward a future purchase. All donated hearing aids are considered a charitable contribution to the Foundation.

What you can do....

Call (865) 977.0981 or email info@handsf.org to make arrangements to donate your hearing aids. You can mail in your hearing aids, have them picked up or drop them off at an authorized donor center.

Hearing Aid Donation Form

All donations to HSF are considered a charitable contribution. To receive tax credit for your donation, please complete the following form and enclose it with your aids.

Name _____

Address _____

City _____

State _____ Zip Code _____

Phone _____

Date of Donation _____

Make, model, and serial number of hearing aid(s)

The Foundation is unable to make value determinations for donated hearing aids. It is recommended that you keep your receipt of purchase as evidence of the original hearing aid cost. For additional information about donations to charitable 501(c)3 organizations, go to www.irs.gov and click on charities and nonprofits, then click on contributors. The contributor's page contains all the IRS information available about donations to charitable nonprofits.

The generosity of donors, like yourself, enables HSF to provide this valuable service to East Tennesseans with hearing loss. On behalf of those individuals, the Foundation extends heart-felt thanks to you.
